

## PROGRAM IMPACT

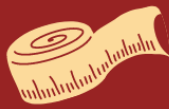

# Take the Leap!

**An award-winning program that grounds emerging leaders in purpose and prosperity, since 2019.** This experiential program combines story-telling, a systems-thinking community-based approach, positive education and inclusive online learning techniques.

*This infographic shows reaction, learning, and impact from participants since 2019, collected immediately following the program, and after 3 and 6 months.*

Participants reported that the "program has had impact for far" within the first 6 months.

### VALUE OF THE PROGRAM

# \$3,176.92

*Adjusted value in CAD attributed by participants to a Take the Leap! Program.*

"For me, this program is worth a million dollars! My learning journey was difficult, but is making a huge difference in my present life... and will impact my future in the best way imaginable."

– Jocelyne Bédard

"The program helped me acquire self-assessment skills which lead to purpose-focused decisions."

"TTL! is relevant to me."

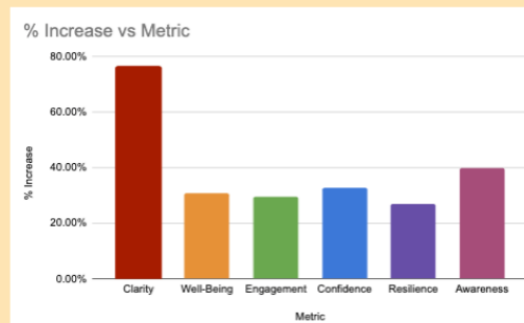

"I intend to apply what I learned."

"I would recommend TTL! to others."

Increase on all documented measures.

"Sure you can do internal work on your own, but sometimes it's hard. We make excuses ("I don't have enough time"), we put it off because it's challenging, etc. I'd recommend this program to anyone who is feeling stuck, feels like they're not living up to their potential and who wants accountability, support, guidance."

– Rebecca Scott, Freelance Copywriter

"Take the program without hesitation. It will help you discover your strength, passion, mission and purpose, and build the future you have always dreamed of."

– Alejandra Baldor, Product Manager
